

WEDDING VIDEOGRAPHY POLICY

First Choice Ministries, the communications and media arm of the church, is available to record your wedding ceremony. Using the three cameras used in our Sunday morning live television broadcast, First Choice has the expertise to produce a quality recording of your wedding that you will cherish forever.

The cost of video recording a wedding is \$1,500 of which \$750 may be counted, for tax purposes, as a contribution to First Choice, a 501(c)3 corporation owned by First Methodist Houston. For questions or examples of weddings done by First Choice, please contact Farra Fraser at ffraser@fmhouston.com.

First Choice can also supply live video streaming of your wedding for those guests unable to attend the ceremony. The guests would be able to view the ceremony from their computer. The cost of this service is included if you purchase the video service from First Choice. If you do not purchase the video service from First choice, the fee for live streaming is \$600. Contact Farra Fraser at ffraser@fmhouston.com to request live video streaming or for more information.

The use of an outside videographer is permitted only if they have been pre-approved by First Choice. Contact Farra Fraser for instructions. Outside videographers will not be allowed to film the wedding without prior approval.
