SAMPLE SUPPORT LETTER

(send to friends and family)

Date _____

Dear _____,

Hello, (Greeting, according to who you're writing and how well you know them.)

I am writing to tell you a little about what has been happening in my life and the opportunity I have for this summer.

This summer, July 28-August 4th, I will be traveling with a mission team from my church, First Methodist Church in Houston, Texas to Nicaragua on a short-term mission trip. Nicaragua is the second poorest country in Latin America. My team will be serving very poor families with service projects and evangelistic outreaches in Managua. Many of the families we serve have no running water or electricity and suffer from malnutrition and lack of medical care. We will help repair homes, work with disabled children and families, lead sports and evangelistic outreaches and share about the hope and love of God through Christ.

The cost of the trip is \$1600. Would you consider becoming a partner with me and being a part of this outreach to the people of Nicaragua? All of my support must be raised by May 1st. If you are interested in being a part of this ministry, you may make your check payable to: First Methodist Houston – Nicaragua Mission Trip. All donations are tax deductible. You may send the check to me directly at your address.

I would also like to ask for your prayers for the people we will meet and serve and for my team as we prepare to go. Please pray that God will use me in a great way and that many people will come to know God's love for them. Please pray that our hearts would be open to however God wants to use us.

Thank you in advance for your support through donation and/or prayer. I know God will do great things for the people of Nicaragua whom we will be serving, as well as our team this summer!

May God bless you and your family,
