

Missions Ministry Prayer Guide for Covid-19

Local and Global Church Missions:

Lifeline to the Homeless— Our ministry to homeless men and women, living on the streets in downtown Houston.

*Please pray for those individuals living on the streets to be protected from illness and physical harm.

*Please pray that each will experience Christ's love for them.

NIA/Port Houston Outreach - Neighbors in Action is our non-profit organization and community center in the community of Port Houston, which serves and empowers immigrant families and children.

*Please pray for our parents who have lost jobs, that they will be able to provide for their families and for the children to be able to concentrate in their schoolwork.

*Please pray for freedom from fear.

International Friends Refugee Ministry – Supporting outreaches in three refugee communities in west Houston and at Snead Elementary among Asian, African and Middle Eastern refugees escaping persecution in their home countries.

*Please pray for our parents who have lost jobs, that they will be able to provide for their families and for the children to be able to concentrate in their schoolwork.

*Please pray for freedom from fear.

Burma – Our children's home in western Burma for children escaping war.

*Please pray that the virus will not spread to their village and that the children will be able to concentrate on their studies and food supplies will remain strong.

*Please pray that they will experience God in deeper ways.

Cuba – Our Sister Church in Cuba that ministers to hundreds of people living in oppressive conditions.

*Please pray that the virus will not spread in their communities.

*Please pray that the Whats App technology will be used to spread the Gospel to more people.

Acuna, Mexico – Our church partner in the community of Martinez-Martinez where people live in extreme poverty.

*Please pray that the virus will not spread to their village and that the children will be able to concentrate on their studies and food supplies will remain strong.

Nepal - Our ministry in Nepal supports a pastor and his wife with six orphan boys, who were abandoned. Nepal is an unreached country and the pastor leads a church and three house churches to bring hope through the gospel. They are currently sheltering and have asked the house churches to be in prayer together as they do not have access to technology.

*Please pray that the virus will not spread to their village and that the children will be able to concentrate on their studies and food supplies will remain strong.

*Please pray for the house churches to remain strong and for the Gospel to spread as people are searching.

Pakistan – Each month our local team provides training for believers and people seeking Christ. The conferences are on hold at this time.

*Please pray that the virus will not spread and for our leaders on the ground to provide support for the churches around the country.

*Please pray for the believers to remain strong and have opportunities to share the Gospel, even as they remain unable to worship together.

Honduras – We have four ministry partners in Honduras, working with vulnerable children, teens and families in extreme poverty.

*Please pray that the virus will not spread to their communities and that the children will be able to concentrate on their studies and food supplies will remain strong.

*Please pray for the leaders on the front lines to be protected and to have wisdom and stamina to lead during this time.
